BKin JA, Gedeon M. How the understated role of rehabilitation within emergency responses can be addressed: A call to action from the IFRC technical working group – CORRIGENDUM. *Prehosp Disaster Med.* 2025;40(4):239–239.

In the original publication of this abstract, there were two errors in the authorship listing. Firstly, Jennifer Allen BKin's affiliation was incorrectly given as 'International Federation of the Red Cross (IFRC), Edmonton, AB, Canada. Qatar University, Doha, Qatar'. Secondly, Marie Gedeon was not listed as a co-author

The correct authorship for this abstract is as follows:

Jennifer Allen BKin, MScPT, DPT

Department of Rehabilitation Sciences, College of Health Sciences, QU Health, Qatar University, Doha, Qatar

Marie Gedeon, BScPT, MScIH

International Federation of the Red Cross Rehabilitation Technical Working Group, Geneva, Switzerland

Canadian Red Cross, Ottawa, Canada

The original publication has been updated and this correction published.
