## The Mathematical Association.

**T**HE ANNUAL MEETING will be held at the LONDON DAY TRAINING COLLEGE, Southampton Row, W.C., on *Wednesday, Jan. 10th, 1912*. There will be an informal dinner of the Mathematical Association and the Association of Public School Science Masters at 7.15 p.m. on that day at the Trocadero Restaurant.

Members and Associates of the Mathematical Association are cordially invited to attend the Meeting of the Association of Public School Science Masters, to be held on *Thursday, 11th January*.

Anyone who has not already received full information concerning these meetings, and who desires to have it, should apply to Mr. C. PENDLEBURY, 39 Brandenburgh Road, Gunnersbury, W.

---

*The Mathematical Gazette* is issued in January, March, May, July, October, and December.

---

All correspondence concerning the *contents* of the *Gazette* should be addressed to  
W. J. GREENSTREET, The Woodlands, Burghfield Common,  
nr. Mortimer, Berks.

Correspondence relative to the *Mathematical Association* or the *distribution* of the *Gazette* should be addressed to one of the Hon. Secretaries:—C. PENDLEBURY, 39 Brandenburgh Road, Gunnersbury, W.; H. D. ELLIS, 12 Gloucester Terrace, Hyde Park, W.; Miss E. R. GWATKIN, M.A., Queen Mary High School, Liverpool, N.

## AFFILIATED SOCIETIES AND LOCAL BRANCHES.

---

---

The Mathematical Association meets, as a whole, once a year at the Annual General Meeting held in London in January. The periodical meetings of the Association have been discontinued, and are now replaced by the periodical meetings of affiliated societies and local branches.

Any member of the Association may be enrolled as a member of one, but not more than one, local branch or affiliated society, *without any payment* beyond the annual subscription of ten shillings paid to the Association.

Any other person may become an *associate* of a branch, or of an affiliated society, subject to the approval of the local committee, on payment of a small subscription levied to meet local expenses. Such an associate is entitled to receive all reports published by the Association, but is not entitled to receive the *Mathematical Gazette*. An associate may attend all General Meetings of the Association, but may not vote on matters of business.

The branches named on the enclosed list have already been established, and the Council of the Association will be glad to co-operate in any steps for the formation of others, wherever a number of persons interested in the teaching of mathematics wish to meet for the purpose of discussion and for mutual help.

Anyone willing to undertake the formation of such a branch is invited to communicate with one of the Honorary Secretaries of the Association.

C. PENDLEBURY, 39, Brandenburg Road, Gunnersbury, W.	} Hon. Secs
H. D. ELLIS, 12, Gloucester Terrace, Hyde Park, W.	
MISS E. R. GWATKIN, The Queen Mary High School, Liverpool, N.	

Change of address should be notified to a Secretary.

If Copies of the Gazette fail to reach a member in consequence of a change of address, of which the Secretaries have not been informed, duplicate copies cannot be supplied, except on payment of 1s. per copy.
