The above article was published with an error in the first equations in Section 8.2 on page 1469. The equation should have read as follows:

$$Y_{ij}^* | \cdot \stackrel{\text{ind}}{\sim} N(\theta_i + \tau_j, \sigma_j^2) \times I(\delta_{k-1} < Y_{ij}^* \leq \delta_k), \quad k = 1, \dots, K.$$
