Erratum

'Low doses of pamidronate to treat osteopenia in children with severe cerebral palsy: a pilot study'

Plotkin et al.

DMCN Vol 48: 709–712

We would like to correct an error that was printed in the above mentioned article:

p 711: The sentence 'Ionized calcium levels in those three cases were 1.01, 1.09, and 1.11mg/dl respectively.' should have read: 'Ionized calcium levels in those three cases were 1.01, 1.09, and 1.11mmol/l respectively.'

We sincerely apologize for this error.
