Members of *Studiorum Novi Testamenti Societas* receive *New Testament Studies* at special terms.

A SYNOPSIS OF THE GOSPELS

THE SYNOPTIC GOSPELS WITH THE
JOHANNINE PARALLELS

H. F. D. Sparks

'The arrangement of all this complicated material is very accurate and extremely clear... an incomparable tool... both editor and printer are to be congratulated on the excellence and clarity of their work.'
TIMES LITERARY SUPPLEMENT. 42s.

THE ATHANASIAN CREED

J. N. D. Kelly

The first full-length study to appear since the beginning of the century. Canon Kelly examines the Quicunque objectively, in the light of the advances and discoveries in recent patristic scholarship, giving much greater prominence to its structure, literary qualities, and, above all, its theology than has been usual hitherto. 18s.

THE FATHERS OF THE GREEK CHURCH

Hans von Campenhausen

'It is a pleasure to praise without reserve... The skilful setting of each man in his proper context, the sharp observation of character, the penetrating assessment of each contribution to the Church's life or doctrine stir one's admiration... a powerful characterisation of Greek patristic thought.'
TIMES LITERARY SUPPLEMENT. 25s.

By the same author: **The Fathers of the Latin Church** 30s.

LIFE AND DEATH

Rudolf Bultmann, et al.

The greater part of two of the most important contributions to Kittel's *Theologisches Wörterbuch zum Neuen Testament*, both in the main the work of Rudolf Bultmann, edited with notes and bibliographical material by Professor P. R. Ackroyd. *Bible Key Words* No. 14. 15s.

A Commentary on

THE EPISTLE TO THE HEBREWS

H. W. Montefiore

The author's exegesis is soundly based on a particular familiarity with the Old Testament and Rabbinic writings. Canon Montefiore points out that this Epistle contains deep spiritual insights especially in the field of Christology, which have not yet exercised their due influence in dogmatics. *Black's New Testament Commentaries*. 30s.
