GRANTS TO ASSIST PUBLICATION

The Mediterranean Archaeological Trust, set up in 1959 for the promotion of the study of archaeology, invites applications in 2004–2005 for a programme of grants, made on a competitive basis, to assist with the publication of archaeological fieldwork in the Mediterranean world. Within the terms of the Trust, priority may be given to Bronze Age subjects. Grants for any amount, however small, will be considered, provided they expedite publication, but the maximum grant awarded to any one project will not exceed £10,000.

Applications comprising a 2000 word maximum description of the proposed work and an outline budget, together with at least two, but no more than four referees' names, should be sent no later than 15 January 2005, to:

Professor Sir John Boardman
(Mediterranean Archaeological Trust)
Ashmolean Museum
Oxford
OX1 2PH

(or by fax to 01865 278082; NOT by email)

The references should be sent direct by the referees or accompany the application in a sealed envelope. Successful applicants will be informed by around the end of March 2005.

***Antiquity* aims to report new archaeological research, methods and issues of international significance in plain language to a broad academic and professional readership.**

We ask prospective authors to consult previous issues of the journal and the full Notes for Contributors on our website at <http://antiquity.ac.uk/contnotes.html>.

Submissions for publication in the JOURNAL should be sent with a disc and hard copy to The Editor, *Antiquity*, King's Manor, York, YO1 7EP, UK, or by e-mail to editor@antiquity.ac.uk.

Text should be submitted in English in MS Word 2000 or a compatible program and have a maximum length of 6000 words. Please indicate the corresponding author. Authors whose papers are declined are notified via e-mail by the editor, and we can normally pass on part or all of the referees' reports to assist feedback.

Authors whose papers are accepted may be asked to send an updated, revised text and will need to send figures of publication quality. These should be sent as hard copy or as TIFF files at 600dpi (colour or monochrome photographs) and EPS files at 1200 dpi (line drawings) on a CD-ROM or Zip disk. Authors may be asked if we can mount long tables and other data on our website.
