The Cambridge History of Southeast Asia

Edited by NICHOLAS TARLING

The Cambridge History of Southeast Asia is a multi-authored treatment of the whole of mainland and island Southeast Asia from Burma to Indonesia.

Volume I

This volume covers the period from the region's pre-history up to the early nineteenth century of the Christian era. It traces the development of early politics, the integration of religion with social and cultural life, the great changes caused by the advent of the Europeans in the region and the increasing incorporation of Southeast Asian trade into international markets.
