Applications are invited for the sixteenth *Journal of Laryngology & Otology (JLO)* Fellowships.

Applicants must have held the final qualifying examination in his/her country for two years and must be in the later stages of training. They are expected to have been subscribers to the *Journal of Laryngology & Otology* for a minimum of one year.

**TRAVELLING FELLOWSHIPS** Applicants are asked to submit a current *curriculum vitae* and write up to 1000 words describing where they wish to travel and which aspects of the specialty of otolaryngology they wish to study. The itinerary for travel should be agreed and the appropriate leave of absence from their training programme should either have been granted or approved in principle. The application must be accompanied by documentation from the host department confirming acceptance and the duration and nature of the training to be offered. A report of the Fellowship will be published in the Journal.

**RESEARCH SCHOLARSHIPS** will also be available for pump priming of research in otolaryngology and its allied sciences. Prospective candidates will be required to provide a *curriculum vitae* with a letter of support from their supervisor, the outline of the project to be undertaken together with evidence of local Ethical Committee approval where appropriate and details of any other sources of financial assistance that have been agreed.

For further details please see [www.jlo.co.uk](http://www.jlo.co.uk)

Please submit applications (hard copy and a copy on disk) to:

The Editors  
Journal of Laryngology & Otology
