Foreword xiii

Mark Hanson, Peter Gluckman, and Lucilla Poston

Acknowledgements xv

DOHaD Pasts, Presents, and Futures: An Introduction 1

Michael Penkler, Jaya Keaney, Tessa Moll, and Michelle Pentecost

Section 1 Mapping the Field's Past

1 Porous Bodies, Impresissible Mothers: A Global and *Longue*

Durée Perspective 17

Maurizio Meloni and Natasha Rooney

2 Transformations of the Maternal– Fetal Relationship in the Twentieth Century: From Maternal Impressions to Epigenetic States 28

Tatjana Buklijas

3 The First 5000 Days: Making DOHaD, 1989–2003 44

Mark Hanson and Tatjana Buklijas

Section 2 The Social Life of DOHaD

4 A Biosocial Return to Race? Racial Differences in DOHaD and Environmental Epigenetics 57

Maurizio Meloni, Christopher Kuzawa, Ayuba Issaka, and Tessa Moll

5 The Promise and Treachery of Nutrition in DOHaD: Science, Biopolitics, and Gender 69

Vivienne Moore and Megan Warin

6 Gender, Racism, and DOHaD 81

Natali Valdez and Martine Lappé

7 DOHaD in Economics: Orthodox and Egalitarian Approaches 91

Jennifer Cohen

8 The 'Moral Paradox' of DOHaD 103

Luca Chiapperino, Cindy Gerber, Francesco Panese, and Umberto Simeoni

9 Intra- and Intergenerational Justice, Law, and DOHaD 117

Isabel Karpin

Section 3 Key Concepts for Biosocial Research

10 Lifecourse 131

Mark Tomlinson, Amelia van der Merwe, Marguerite Marlow, and Sarah Skeen

11 Syndemics 141

Edna N. Bosire, Michelle Pentecost, and Emily Mendenhall

- 12 **Embodiment** 148
Ziyanda Majombozi and
Mutsawashe Mutendi
- 13 **Causal Crypticity** 155
Sarah S. Richardson
- 14 **Intergenerational Trauma** 166
Jaya Keaney, Henrietta Byrne,
Megan Warin, and Emma Kowal
- 15 **Bioethnography** 174
Elizabeth F.S. Roberts, Jaclyn
M. Goodrich, Erica C. Jansen, Belinda
L. Needham, Brisa N. Sánchez, and
Martha M. Téllez Rojo
- Section 4 Translations in Policy
and Practice**
- 16 **Translating Evidence to Policy: The
Challenge for DOHaD Advocacy** 185
Felicia Low, Peter Gluckman, and Mark
Hanson
- 17 **Framing DOHaD for Policy
and Society** 194
Chandni Maria Jacob, Michael Penkler,
Ruth Müller, and Mark Hanson
- 18 **The Impact of Community-Based
Participatory DOHaD Research** 207
Siobhan Tu'akoi, Mark H. Vickers,
Celeste Barrett-Watson, Kura Samuel-
Ioane, Teaukura Puna, Drollet Joseph,
and Jacquie L. Bay
- 19 **The First 1000 Days and Clinical
Practice in Infant Mental Health** 219
Anusha Lachman, Astrid Berg, Fiona
C. Ross, and Simone M. Peters

Section 5 The Biosocial in Practice

- 20 **Understanding Child Development:
A Biosocial Anthropological
Approach to Early Life** 231
Emily H. Emmott and Sahra Gibbon
- 21 **Building Biosocial Collaboration in
the HeLTI–South Africa Trial** 241
Michelle Pentecost, Catherine
E. Draper, Khuthala Mabetha, Larske
M. Soepnel, and Shane A. Norris
- 22 **Doing Environments in DOHaD
and Epigenetics** 249
Sophia Rossmann and Georgia Samaras
- 23 **Narrative Choreographies:
DOHaD, Social Justice, and
Health Equity** 258
Martha Kenney and Ruth Müller
- 24 **Interdependence: Reworking
Ontogeny through *Tendrel*
Fishbones and Dirty Chickens** 267
Shivani Kaul and Emily Yates-Doerr

Section 6 Future Directions

- 25 **Modelling in DOHaD: Challenges
and Opportunities in the Era of
Big Data** 279
Julie Nihouarn Sigurdardottir and
Salma Ayis
- 26 **The Promise of Reversibility in
Neuroepigenetics Research on
Traumatic Memories** 290
Stephanie Lloyd, Pierre-Eric Lutz,
and Chani Bonventre

- 27 **Disability in DOHaD and Epigenetics: Towards Inclusive Practice** 300
Kaleb Saulnier, Lara Azevedo, Neera Bhatia, Lillian Dipnall, Evie Kendal, Garth Stephenson, and Jeffrey M. Craig
- 28 **Creating Good Data Our Way: An Indigenous Lens for Epidemiology and Intergenerational Health** 312
Sarah Bourke and Raymond Lovett

- 29 **DOHaD in the Anthropocene: Taking Responsibility for Anthropogenic Biologies** 324
Jörg Niewöhner
