 30. Wiggen, J. 1995. Vetch mulch fetches more veggies. *Agric. Res. (Washington, DC)* 43(5):10–11.
 31. Zimdahl, R.L. 1980. *Weed–Crop Competition: A Review.* IPPC Document 31-A-80. Oregon State University, International Plant Protection Center, Corvallis.

UPCOMING EVENTS

September 21–24, “Harvesting Prosperity from a Growing Industry,” Natural Products Expo East, will be held in Baltimore, MD; contact Natural Products Expo East, 1401 Pearl St., Boulder, CO 80302; (303) 939-8440; on the Internet, www.naturalproductsexpo.com.

October 6–8, “Taking Back Our Food, Farms and Playgrounds” will be held in Redwood City, CA; contact Pesticide Action Network, (415) 981-6205; on the Internet, www.panna.org/octConf.html.

October 13–14, “Forest Owner Coop-

eration: Balancing Ecology and Economics” will be held in Madison, WI; contact Jody Padgham, University of Wisconsin Center for Cooperatives, (608) 262-0705; on the Internet, www.forestrycenter.org.

October 20–21, Alternative and Herbal Livestock Health Conference will be held in Storrs, CT; contact Rochelle Syme, University of Connecticut Home and Garden Education Center, 1380 Storrs Road, U-4115, Storrs, CT 06269; (860) 486-6271; e-mail ssyme@canr.uconn.edu.

October 29–31, Community Food Se-

curity Conference will be held in Santa Fe, NM; contact CFS Coalition, P.O. Box 209, Venice, CA 90294; (310) 822-5410; on the Internet, www.foodsecurity.org.

November 27–29, “Globalization and Local Development: Challenges to Small Scale Production” will be held in Santiago, Chile; contact International Farming Systems Association, Casilla 228 Correo 22, Santiago, Chile; phone 56-2-236-4557; e-mail IFSA@rimisp2.cl; on the Internet, www.rimisp.cl/ifsa_iesa2000.html.
