

## UNIVERSITY OF SYDNEY

### Lectureship in Geology and/or Geophysics

Applications are invited for the above position. Candidates should state the field of their specialist interest and indicate the nature and extent of their academic and professional experience.

The salary for a Lecturer is within the range £A1,500-90-£2,100 per annum, plus cost of living adjustment and will be subject to deductions under the State Superannuation Act. The commencing salary will be fixed according to the qualifications and experience of the successful applicant.

Under the Staff Members' Housing Scheme, in cases approved by the University and its Bankers, married men may be assisted by loans to purchase a house.

Further particulars and information as to the method of application may be obtained from the Secretary, Association of Universities of the British Commonwealth, 36 Gordon Square, London, W.C. 1.

Applications close on 12th December, 1959.
