DOI: [10.1017/ash.2022.279](https://doi.org/10.1017/ash.2022.279), Published online by Cambridge University Press 08 August 2022.

In the above article, the title has been edited to read “A 12-year epidemiological study of *Acinetobacter baumannii* from blood culture isolates in a single tertiary-care hospital using polymerase chain reaction (PCR)-based open reading frame typing”, correcting the spelling error of the word “polymerase”; the publisher apologizes for this error.
