Catholic Times

What do you expect to find in
a Catholic Newspaper?

**CATHOLIC NEWS, OBVIOUSLY,
BUT WHAT IS CATHOLIC NEWS?**

IT is in the selection of news which it puts before its readers that THE CATHOLIC TIMES pleases so much. The proper place for matters which are exclusively secular is the secular press, but there are many topics which have a mixed secular and religious bearing. You will expect to find the religious aspects of these things treated in your Catholic newspaper, as well as a full budget of Catholic news.

THE CATHOLIC TIMES, the oldest Catholic popular newspaper, knows how to become a newspaper for Catholics when the occasion demands it. It meets all your needs *always*. Special needs are given more space than in any other Catholic newspaper.

THIS is the Diamond Jubilee Year of THE CATHOLIC TIMES and new readers are taking it up by thousands. Give it a trial and share their pleasure.

BLACK ANGELS OF ATHOS

by MICHAEL CHOUKAS Illustrated 12s. net.

Times Literary Supplement: "Professor Choukas' account of his investigations and his description of the monastic systems are important and interesting. Important because no other volume in English contains so careful and exhaustive an account of the monastic policy and practice; interesting because of the material which he has collected, its associations, and the eminently readable way in which he presents it."

DOM CUTHBERT BUTLER

Western Mysticism 12s. net.

Tablet: "If books are deeds, this is a mighty deed, and will leave its mark."

Blackfriars: "An extremely fascinating book on an enthralling subject."

HILAIRE BELLOC

The Old Road: *from Canterbury to Winchester*
Map 3s 6d net.

Scotsmen: "Nobody treats of roads and wayfaring with a more infectious enthusiasm or a keener eye for natural features and historical clues than Mr. Belloc."

JOHN HENRY NEWMAN

Tract Ninety: *or Remarks on Certain Passages in the 39 Articles Reprinted from the Edition of 1841, with an Historical Commentary by A. W. Evans, D.Litt.* 6s. net.

Universe: "The historical introduction is one of the best brief estimates of the Movement since Dean Church's. The actors tell their story in their own words, notably Newman, and the curtain falls on what was, after all, the outstanding feature of the whole movement, Newman's submission to the Catholic Church."

A NEW APPROACH to spiritual realities for Catholics of to-day,
yet one as old as the Church herself, is an
active and intelligent taking part in the Liturgy of the Church. 'The
people are better instructed in the truths of faith by the annual cele-
bration of our sacred mysteries than by even the weightiest pronounce-
ments of the teaching of the Church.' (Encyclical on the Feast of
the Kingship of Christ.)
