
The Economic and Labour Relations Review

Centre for Applied Economic Research
Industrial Relations Research Centre
The University of NSW

Aims

The *Economic and Labour Relations Review* is produced jointly by the Centre for Applied Economic Research and the Industrial Relations Research Centre at the University of New South Wales. The *ELRR*'s primary focus is contemporary issues, developments and policymaking in the fields of economics and labour relations. The views expressed in the journal are those of the authors and should not be attributed to either Centre.
