Making Literature Matter An Anthology for Readers and Writers Fifth Edition

John Schilb, *Indiana University*

John Clifford, *University of North Carolina at Wilmington*

In its fifth edition, *Making Literature Matter* continues to deliver on the promise of its title. Its thematic anthology gathers memorable stories, poems, plays, and essays into unique literary clusters addressing issues that rouse passionate responses in students. At the same time, its comprehensive rhetoric shows students how to harness those responses into thoughtful arguments about the issues raised by the clusters and the literature.

Forms of Attention from Chicago

The Lucretian Renaissance

Philology and the Afterlife of Tradition
Gerard Passannante

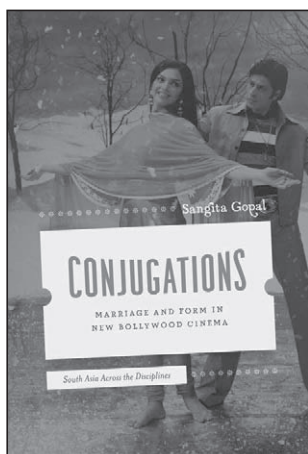

“What did it mean for an ancient text to be ‘reborn’? In this elegant and learned study, Gerard Passannante reflects on the influence in the Renaissance of Lucretius’s great philosophical poem *De rerum natura*.”—Stephen Greenblatt, Harvard University
CLOTH \$45.00

Geographies of Philological Knowledge

Postcoloniality and the Transatlantic National Epic
Nadia R. Altschul

“*Geographies of Philological Knowledge* forges a compelling narrative of colonial knowledge production that brings together fields usually kept separate—medieval studies, Latin American studies, and postcolonial studies. Nadia R. Altschul remedies the scholarly oversights that have left Spain, criollos, and Amerindians alike out of influential narratives of intellectual history.”—Michelle R. Warren, Dartmouth College

Conjugations

Marriage and Form in New Bollywood Cinema
Sangita Gopal

“Gopal’s thesis is provocative and insightful, and her scholarship is impeccable—each chapter is a resounding success, where we find original insights and illuminating analysis through her crisp and imaginative writing.”—Amit Rai, Queen Mary, University of London

Unoriginal Genius

Poetry by Other Means
in the New Century

Marjorie Perloff

“Living up to its Clausewitzian subtitle, *Unoriginal Genius* makes sense of the sparring with the reader that has occupied poets since Baudelaire. It recounts the expansion of poetry’s empire, carried by shifts in media and failures of belief in language. Here poetry is shown fully turning the corner from discourse to function.”—Haun Saussy, University of Chicago

Forms of Attention

Botticelli and Hamlet

Frank Kermode

With a Foreword by Frank Lentricchia

“Kermode’s volume has the virtue of a lecturer’s accessible style designed for a listening audience. It is also self-consciously spare of ‘naked criticism.’ There is, nonetheless, an abundance of learned commentary, steady substance, and unveiled critical excellence.”—*London Review of Books*

Fyodor Dostoevsky

Robert Bird

Bird traces Dostoevsky’s path from his harsh childhood through his years as a political revolutionary and finally to his development into a writer, who fought his battles through the printed word.

THE COMEDY OF ERRORS

A New Variorum Edition of Shakespeare

Edited by Standish Henning

“[The New Variorum Edition] cites the best thinking of the best minds who have commented on Shakespeare in the last three and a half centuries.”

—*New York Times*

Inaugurated in the 1860s and the standard reference edition of Shakespeare's work, the New Variorum Edition of Shakespeare continues the tradition of the original Variorum editions of the early nineteenth century. The latest edition, *The Comedy of Errors*, not only contains the complete text of the play but also presents the expanse of scholarly opinion and interpretation from the earliest commentary to the present. It covers dating, sources, and emendations to stage history and influential interpretations of particular words.

New Variorum editions are valuable resources for an international audience of scholars, students, directors, actors, and general readers. Overseen by two general editors and an MLA committee, the production of each edition is conducted by a team of scholars and researchers working over a number of years. Additional publications in the series include *As You Like It* (ed. Richard Knowles), *Measure for Measure* (ed. Mark Eccles), *Antony and Cleopatra* (ed. Marvin Spevack), and *The Winter's Tale* (ed. Robert Kean Turner and Virginia Westling Haas).

This Variorum volume includes a free CD that contains the contents as PDFs with internal links for easy navigation and is fully text-searchable.
