

ERRATUM

There is an error in the previous issue of *Radiocarbon*, in the article by Paul A LaViolette (*Radiocarbon* 53[2]:303–23). The following citation was mistakenly omitted from the References section of the article:

Jull AJT, Cloudt S, Donahue DJ, Sisterson JM, Reedy RC, Masarik J. 1998. ^{14}C depth profiles in Apollo 15 and 17 cores and lunar rock 68815. *Geochimica et Cosmochimica Acta* 62(17):3025–36.

The online version of the article has been updated to include the reference, but the change could not be made to the printed version in time.

We regret this error.
