USA

Authorization to photocopy items for internal or personal use, or the internal or personal use of specific clients, is granted by the Fauna & Flora Preservation Society for libraries and other users registered with the Copyright Clearance Center (CCC) Transactional Reporting Service, provided that the base fee of \$02.00 per copy is paid directly to CCC, 27 Congress Street, Salem, MA 01970, USA. Special requests should be addressed to the Editor. 0030-6053/86 \$02.00.

The journal is delivered to North America by accelerated surface post and subscribers there can expect to receive their copies within two weeks of British publication. Current issues for the Indian sub-continent, Australasia and the Far East are sent by air to regional distribution points from where they are forwarded to subscribers by surface mail. Any back numbers are normally despatched by surface to all regions, except North America, where they are sent by a.s.p., and India, where they are sent by air freight.

WITH FFPS YOU KNOW WHERE ALL YOUR GIFT GOES

Nearly everybody donates to one charity or another,
but where does your money **really** go?

A legacy to the ORYX 100% Fund means
your gift—100% of it—will go direct to
save an endangered species.

Please write to the FFPS office for further details.

WOW — A GORILLA IN YOUR LIVING ROOM . . .

NDUME is a silverback mountain gorilla in Rwanda's Parc National des Volcans.

Wildlife On the Wall is offering a unique photo-portrait of Ndume, from a photograph by Ian Redmond, which captures the powerful presence of this magnificent animal. It is suitable for framing and mounting.

Send £2.50, inc. p&p, (£4.50 for two) to:
WOW Posters (F), 38 Lime Road, Bristol,
BS3 1LT.

*Also available at Ian Redmond lectures
around the country.*

Wildlife
On the
Wall

Actual size 22" × 17½" * Full colour * Quality paper. *Posters, Cards and Educational Displays.*

ORNIS SCANDINAVICA

ORNIS SCANDINAVICA is an international journal that publishes contributions from all over the world on all aspects of ornithology. It has a certain emphasis on experimental studies and on studies judged to be of general interest to students of ornithology.

ORNIS SCANDINAVICA is issued four times annually. It is estimated that the 1986 volume will contain 320 pages:

Apart from full-length papers, ORNIS SCANDINAVICA also publishes a short communications and comments section intended as a forum for new ideas and results, and to promote the discussion of scientific issues relating to ornithology.

Subscription rates in 1986, including postage:

Ordinary rate	£ 32.40
Members of BOU or BTO (for private use only)	£ 20.70

Make your cheque payable to
Munksgaard Int. Publishers,
P.O.Box 2148
DK-1016 Copenhagen
Denmark

IMMEL Publishing

A selection of high quality, full colour publications of special interest to both professional and amateur divers and marine scientists.

Red Sea Reef Fishes

Dr. John E. Randall describes in detail 325 species of Red Sea reef fishes, enhanced by the author's own colour photographs.

Divers' Guide to Red Sea Reef Fishes

Waterproof supplementary volume to the above, containing numerous colour photographs, with common and scientific names of each species.

The Red Sea

An informative and colourful book in which author, Dr. Peter Vine explores all aspects of the Red Sea with emphasis on its rich marine environment.

Sharks of Arabia

Just published, this is the latest addition to our knowledge of Red Sea, Indian Ocean and Arabian Gulf Sharks. Dr. Randall has combined scientific accuracy with a presentation which is of interest to the general reader and scientist alike.

Red Sea Fishes Colouring Book

An excellent way to introduce a child to wonders of colour and form in marine life.

COMING SHORTLY:

Red Sea Invertebrates
Red Sea Handbook
