The Australian Journal of **INDIGENOUS EDUCATION**

The Australian Journal of Indigenous Education (AJIE) has played a vital role in raising awareness of educational issues for Aboriginal and Torres Strait Islander peoples; fostering debate among researchers, government representatives and community groups; and sharing stories of success between both Indigenous and non-Indigenous practitioners positioned in the broad area of Aboriginal and Torres Strait Islander education. The dialogue which has taken place in *AJIE* over the past 30 years maps out the social, political and cultural history of Indigenous education in Australia, and draws attention to the shifting paradigms, problems and practical outcomes.
