

OPENINGS IN MATHEMATICS

UNIVERSITY OF ALBERTA

The University invites applications for appointment as Lecturer, Assistant Professor or Associate Professor, either in Edmonton or in Calgary. Salaries \$5500 to \$6500 for Lecturers, \$6000 to \$8200 for Assistants, \$8500 to \$10,700 for Associates. Commencing salaries will depend upon experience and qualifications. Regular annual increments are normally given. There is a pension plan, and a removal grant for married appointees. Appointments will date from September 1, 1960, and will be probationary for two years, after which permanent tenure may be given. Applications, accompanied by curriculum vitae, recent snapshot, and names of references, should be sent to Professor E. S. Keeping, University of Alberta, Edmonton.

ASSUMPTION UNIVERSITY OF WINDSOR

Essex College, Assumption University of Windsor, invites applications for three vacancies in the Department of Mathematics at the levels of Lecturer (\$4500 - \$7100), Assistant Professor (\$5800 - \$9100) and Associate Professor (\$7500 - \$11,500). Applicants should be prepared to lecture in either pure or applied mathematics in the general, honours and M.Sc. courses. Ample time is allotted for research. Enquiries and applications should be sent to Rev. D. T. Faught, Mathematics Department, Assumption University of Windsor.

UNIVERSITY OF OTTAWA

Applications are invited for a position of an Assistant or Associate Professor (salary ranges \$6,500 - \$8,500, \$7,500 - \$10,000 resp.) in the Department of Mathematics. Enquiries and applications should be addressed to Dr. V. Linis, Chairman, Department of Mathematics.

UNIVERSITY OF MANITOBA

The Department of Mathematics, University of Manitoba is looking for two members of staff for the next academic session beginning September 1, 1960: (a) a lecturer with salary of approximately \$6800; (b) an assistant professor with salary of approximately \$7500. Applications with data and references should be sent to Professor J. W. Lawson, Department of Mathematics, University of Manitoba, Winnipeg, Manitoba.
