

List of Referees

The editors of *The Review of Politics* thank the following individuals for their expert assistance in evaluating manuscripts for publication. They have freely served not only the journal, but also the authors and the academy more generally, without recognition or recompense.

We also appreciate the contribution of those who, although unable to review a particular manuscript, suggest names of other experts. That is also a valuable service.

Members of the editorial board also regularly review for the journal, and we thank them too.
