OBITUARY.

Mr. Frank E. Moeser, a collector of Lepidoptera and a keen observer of their life histories, died at his home, 239 Guilford St., Buffalo, N.Y., on May 15th, being forty-five years of age. His work among the local Noctuidæ especially, proved of interest, in that material brought to notice by Grote, when the latter was with the Buffalo Society of Natural Sciences, was again collected by him. He is survived by a wife, daughter and son. H. BIRD.
