# A BROADER VIEW. A CLEARER FOCUS.

The strength of change.

Broadening our reach to more librarians and focusing our resources on your most pressing training and library management needs are two of our top priorities. To achieve them, we are expanding our electronic communications to reach you, no matter where you are located. We also are developing new education programs to help you work more efficiently and adapt to change more confidently and successfully. We encourage you to join us for our new market events and expanded training, and we welcome your comments about them.
