<sup>a</sup>*Stony Brook University*; <sup>b</sup>*University of Washington*; and <sup>c</sup>*Ohio State University*

doi:10.1017/S0954579415000449, published by Cambridge University Press, 8 June 2015

There was a transposition error in the L-SASI data in Table 1 on page 284 in our original article. The values for the “Ambivalent attempts” and “High intent attempts” rows

were transposed, which are corrected herein. We regret these errors and any problems they may have caused.
