

## **English Word Stress**

**Erik Fudge**

This book provides students and teachers of English with a comprehensive account of the principles which govern the placement of stress in English words. The many irregularities and anomalies are covered by full lists of exceptional words and the reader is provided with exercises at the end of each chapter.

May 1984    Hardback £15.00    Paperback £7.50

## **Rhetoric of Everyday English Texts**

**M.P. Jordan**

Authoritative guidance for instructors/teachers and students on the rhetoric of prose structures in short functional reports, articles, advertisements and letters in modern everyday English. This textbook provides a detailed analysis of over 100 examples of published English texts whose parts are explained within a single theoretical framework.

May 1984    Hardback £15.00    Paperback £5.50

## **On the Surface of Discourse**

**Michael Hoey**

The purpose of this book is to provide readers with a detailed but manageable system for the analysis of all kinds of written discourse based on the work of E.O. Winter and his associates. Care is taken to ensure that readers have sufficient information to enable them to tackle analyses of their own.

1983    Hardback £15.00    Paperback £6.95

## **Towards a Contextual Grammar of English**

**E.O. Winter**

Here the author uses example texts to demonstrate that the most central and fascinating unit of meaning in the English sentence is the clause itself. In so doing, his purpose is to prepare the way for a contextual approach to English grammar.

1982    Hardback £12.50    Paperback £4.95

**George Allen & Unwin**

# Language Teaching

The international abstracting journal for  
language teachers and applied linguists

is indispensable for everyone concerned with the teaching and learning of foreign languages, including English as a second or foreign language:
