1959-1983: TWENTY-FOUR YEARS OF CARING

WEST MIDLANDS INSTITUTE OF  
PSYCHOTHERAPY

### INTRODUCTORY COURSE IN DYNAMIC PSYCHOTHERAPY

An introductory course in DYNAMIC PSYCHOTHERAPY will be held at Uffculme Clinic, Birmingham, beginning in January 1984. The course will be held on Tuesday afternoons and will extend over a period of two years.

Throughout the two year course members will attend a small group. The first year will also include seminars on both relevant theory and practice, together with case discussions.

Those who complete the course satisfactorily will be offered Associate Membership of the West Midlands Institute of Psychotherapy.

The programme is open to members of the medical and nursing professions, social workers, probation officers and related disciplines.

Applicants may be required to attend for interview as part of the selection procedure.

Fees for the 1984/5 course will be £215 per annum.

*For further information and application forms, please contact:*

Secretary, W.M.I.P.  
Uffculme Clinic  
Queensbridge Road  
Birmingham B13 8QD.**

021-449-4481, ext. 237, Mondays, Tuesdays or Fridays only.

UNIVERSITY OF OTAGO  
FACULTY OF MEDICINE

CHRISTCHURCH CLINICAL SCHOOL, Christchurch, New Zealand

### SENIOR LECTURER IN PSYCHOLOGICAL MEDICINE

Applications are invited from suitably qualified psychiatrists experienced in adult clinical psychiatry and who have an interest in pursuing teaching and research. This is a full-time University/Hospital position established under University conditions but including hospital specialist (consultant) status.

The appointee is expected to participate in a full programme of undergraduate and post-graduate teaching in an innovative Department of Psychological Medicine and would be encouraged to develop his/her own research interests. Clinical responsibilities will be negotiated with the North Canterbury Hospital Board.

Although these will depend on the appointee's field of specialisation, duties will include some work in the Alcohol and Drug Dependence Service.

*Salary:* NZ\$35,121-\$45,213 per annum. An allowance for clinical responsibility may be paid in the light of status and duties performed.

Information about the Department may be obtained from the Professor of Psychological Medicine, The Christchurch Clinical School of Medicine, P.O. Box 4345, Christchurch, New Zealand.

Further particulars are available from the Association of Commonwealth Universities (Appts), 36 Gordon Square, London WC1H 0PF, or from the Registrar of the University, P.O. Box 56, Dunedin, New Zealand.

Applications close on 15 October 1983.

## Companion to Psychiatric Studies

Edited by R E Kendell and A K Zealley

1983 third edition 736 pages frontispiece + 71 line illus hardback £30.00

**This established textbook is now aimed at all postgraduate students of psychiatry, including those who have finished with examinations.**

- over half the 40 chapters are completely new
- most of the chapters on the 'basic sciences' have been retained and have been thoroughly updated
- more attention is devoted to treatment – physical, psychological and social

## A Guide to the Mental Health Act 1983

Robert Buglass

1983 168 pages paperback £9.95

This book is published to coincide with the Mental Health Act 1983 becoming law.

Written by a psychiatrist who has been closely involved with the preparation of the Act, it is right up-to-date, completely comprehensive and explains the implications of the Act clearly for the wide range of professionals who need to be familiar with it.

## Clinical Pharmacology of Psychotherapeutic Drugs (Monographs in Clinical Pharmacology Volume 1)

Leo E Hollister

1983 second edition 214 pages line illus hardback £22.00

The purpose of this book is to help the relevant health professional to understand better and use more effectively psychotherapeutic drugs.

Antianxiety drugs, hypnotics, antidepressants, antipsychotics and lithium are discussed from a brief history through to management of overdose.

## Recent Advances in Clinical Psychiatry – 4

Edited by K L Granville-Grossman

1982 296 pages 13 illus paperback £16.00

Contents include: Child psychiatry / Deliberate self harm / Anorexia nervosa / Computed tomography in dementia and depression / Sex chromosome disorders / Transsexualism / The biology of mania

## **Appointment in Psychiatry**

Applications are invited for the following appointment in the Department of Medicine:-  
Assistant/Associate Professor in Psychiatry. Candidates should have experience in teaching and/or research in clinical psychiatry.

Preference will be given to suitable candidates who speak Arabic.

### ***Requirements for Appointments***

Applicants should possess a Ph.D. or equivalent higher professional qualification in their respective speciality, and have conducted and published research in their field.

### ***Conditions of Appointment***

Salaries—Total monthly salaries will be within the following scales according to qualifications and experience (1 KD = £2.2, US \$3.4 approx)

Associate Professors with clinical appointments = KD 989 – 1149 (8 increments).

Associate Professors non-medically qualified = KD 875 – 1035 (8 increments).

Assistant Professors with clinical appointments = KD 768 – 928 (8 increments).

Assistant Professors non-medically qualified = KD 680 – 840 (8 increments).

*Clinical supplement:* In addition to the above University salaries there will be a monthly clinical supplement paid by the Ministry of Public Health for ten months' a year to medical school staff with clinical service commitments. These are:-

Associate Professor KD 150

Assistant Professor KD 100

*Conference:* A member is entitled to attend one academic conference a year which would be subject to the University rules and regulations.

*Gratuity:* There is a gratuity of one month basic salary for each year employed payable on termination of contract.

*Housing:* Suitably furnished, air-conditioned accommodation, electricity and water free of charge.

*Medical Care:* Free, comprehensive treatment is available in Kuwait under the State Health Service.

*Travel:* Air tickets are provided from the country of recruitment for the appointee, spouse and up to three dependent children under 20 years. Thereafter, return air tickets are issued annually to the country of citizenship or permanent residence. On termination of contract, air tickets are provided to the country of recruitment. A baggage and freight allowance is also provided.

*Vacation:* Sixty days paid annual leave and various national holidays.

*Education:* This is provided free in State schools where the instruction is in Arabic. Staff who have to send their children to non-Arabic schools in Kuwait will have the tuition fees of up to a maximum of three met by the University.

*Taxation:* There is no income tax in Kuwait. Currency is transferable without restriction.

### ***Method of Application***

Curriculum vitae in duplicate, which should include the names of three referees, personal particulars, qualifications with dates, career history, teaching experience, research accomplishments and, where appropriate clinical experience should be sent to the Dean, Faculty of Medicine, University of Kuwait Health Science Centre, P.O. Box 24923 Safat, Kuwait to arrive no later than 30th October 1983.

# Merital AM

nomifensine

Just one each morning

**Prescribing Information Presentation** Merital AM film-coated tablets contain 100mg nomifensine hydrogen maleate. **Uses** Antidepressant for use in depressive illness with or without accompanying anxiety. **Dose and Administration** Up to 100mg may be given as a single daily dose in the morning. Some patients, particularly the elderly, who are known to be sensitive to the effects of psychotropic drugs may need a lower dose. Normal dose range 75-200mg daily. At the present time there is insufficient experience of the use of Merital in children to enable any dosage recommendation to be made. **Contra-indications, warnings etc** Use in pregnancy only if there are compelling reasons. Merital may antagonise the hypotensive effects of adrenergic neurone-blocking drugs and may potentiate therapeutic and adverse effects of levodopa and other dopamine agonists. Use with caution in patients with ischaemic heart disease. Do not use in conjunction with monoamine oxidase inhibitors. Adverse effects include sleep disturbance, restlessness, palpitations, nausea, headache, dryness of the mouth and dizziness. **Also available** Merital 50 capsules containing 50mg nomifensine hydrogen maleate and Merital 25 containing 25mg nomifensine hydrogen maleate. **Basic NHS Price** Merital AM £8.95 per 30 tablets, £28.50 per 100 tablets. Merital 50 £17.34 per 100 capsules. Merital 25 £10.95 per 100 capsules. **PL Nos** 0086/0085 (Merital AM Tablets), 0086/0053 (Merital 50 Capsules), 0086/0052 (Merital 25 Capsules).
