THE PLACE-NAMES OF MIDDLESEX

APART FROM THE CITY OF LONDON

By J. E. B. GOVER, ALLEN MAWER, and F. M. STENTON
with the collaboration of S. J. MADGE

18s. net

This book was originally planned as a volume on the place-names of the City of London and the County of Middlesex, but the gradual closing of archives made continued work on unpublished documents impossible. As work upon the City of London was not in the same advanced stage of preparation as that upon Middlesex, for which Mr Gover and Dr Madge had, over some years, collected a vast mass of material, separate publication has now been decided upon.
