History in Africa

A Journal of Method

History in Africa- A Journal of Method (HiA) is published annually (in June) for the African Studies Association by Cambridge University Press. The editors welcome manuscripts that focus on methodological dimensions in the study of African history in its broadest sense.

HiA does not pay authors for their manuscripts, nor does it provide retyping, drawing, or mounting of illustrations, or other such services. Those are the responsibility of the author. The editors reserve the right to reject or return for revision any material submitted on the grounds of inappropriate subject matter, quality, or because of nonconformity with this style guide.

Authors must recognize that they (and not the African Studies Association, nor the editors of *HiA*) are responsible for the content of their articles, for the accuracy of quotations and their correct attribution, for the legal right to publish any materials submitted, for the inclusion of mandatory acknowledgements and/or disclaimers, and for submitting their manuscripts in proper form for publication.

A manuscript submitted to *HiA* may not be under simultaneous consideration by any other journal or have been published elsewhere.

Format requirements are explained in the Style Guide published at the end of this volume.
