#### PURPOSE AND FOCUS

The Journal of Financial and Quantitative Analysis (JFQA) publishes theoretical and empirical research in financial economics. Topics include corporate finance, investments, capital and security markets, and quantitative methods of particular relevance to financial researchers. Opinions expressed in the JFQA are those of the authors and do not necessarily reflect those of the University of Washington Michael G. Foster School of Business. For submissions queries, please write, call, fax, or e-mail the JFQA office. For all other information related to the journal, please contact Cambridge Journals Customer Services: Cambridge University Press, One Liberty Plaza, 20th Floor, New York, NY 10006, USA.

#### **SUBMISSIONS**

www.editorialmanager.com/jfga

It is JFQA policy to give prompt attention to all submitted manuscripts. Consistent with this policy, honoraria are paid to referees who provide timely reviews. Submit manuscripts online (www.editorialmanager.com/jfqa). Payment is required at the time of submission. Please consult the journal website for current submission details. Manuscripts are considered for publication on the understanding that they have not been previously published in whole or in part, and are not being simultaneously considered for publication elsewhere.
