## Note on *Staying Tuned: LGBTQIA Politics in the Trump Era*:

Some may find language and content used in the articles and book reviews included in this special issue to be unfamiliar or even offensive. However, the goal of this issue is to situate LGBTQIA politics and social-political experiences into the broader political discourse and to re-think notions of sexual citizenship. We, the guest editors, invite you, the reader, to approach these pieces with an eye towards critiquing heteronormativity and the marginalization of LGBTQIA identity politics.
