NATIONALITIES PAPERS is the only journal in the world which deals exclusively with all nationalities of the former USSR, and also with national minorities in Eastern and Central European countries. The problems and importance of over 140 million people are treated with the disciplinary and methodological contexts of Post-Soviet and Europe-Asia studies. *Nationalities Papers* is an international and multidisciplinary journal with contributors and readers throughout North America, Western and Eastern Europe, the Far East, Japan and the People's Republic of China. Included in each general issue are in-depth analyses from the historical view, updates on latest developments, some original documents, and book reviews; some issues concentrate on a region or nationality as a special topic, which exclusive focus allows for more extensive and detailed information.

Submission of manuscripts. Authors should submit both initial and final versions of their articles in both hard copy paper and electronic forms. It is essential that the hard copy (paper) version *exactly* matches the material on disk. Please print out the hard copy from the disk you are sending. Send as a Word or WordPerfect attachment to sosabol@uncc.edu or submit two printed copies of the final version with the disk to Steven Sabol, *Nationalities Papers*, Department of History, The University of North Carolina at Charlotte, Charlotte, NC 28223, USA. Save all files on a standard 3.5 inch high-density disk. We prefer to receive disks in Microsoft Word for Windows or WordPerfect, but can translate from most other common word-processing programs. Please specify which program you have used. Do not save your files as "text only" or "read only". For further details on Electronic Submission, please visit the Taylor & Francis Website at: <http://www.tandf.co.uk/journals>

Note to authors. Please make sure your contact address information is clearly visible on the outside of all packages you are sending to Editors.

Complimentary reprints are available through Rightslink® and additional reprints can be ordered through Rightslink® when proofs are received or alternatively on our journals website. Copyright. It is a condition of publication that authors assign copyright or licence the publication rights in their articles, including abstracts, to The Association for the Study of Nationalities. This enables us to ensure full copyright protection and to disseminate the article, and of course the Journal, to the widest possible readership in print and electronic formats as appropriate. Authors may, of course, use the article elsewhere *after* publication without prior permission from Taylor & Francis, provided that acknowledgement is given to the Journal as the original source of publication, and that Taylor & Francis is notified so that our records show that its use is properly authorised. Authors retain a number of other rights under the Taylor & Francis rights policies documents. These policies are referred to at <http://www.tandf.co.uk/journals/authorrights.pdf> for full details.
