

## Errata

The following individuals served as Associate Editors for the Volume 18 Invasive Weed Symposium issue of *Weed Technology*. Dr Stubbs was inadvertently omitted from the list, and Dr. Horvitz was not named correctly in the issue. The journal apologizes for the oversight.

Associate Editors, Invasive Weed Symposium Issue, Volume 18

Carol C. Horvitz

Constance S. Stubbs

---

Figure 1 was printed incorrectly in the article “Developing National Research Teams: A Case Study with the Jointed Goatgrass Research Program” by Randy L. Anderson et al. (*Weed Technology* 18:1143–1149). The correct Figure 1 can be found below. Allen Press apologizes for the error.

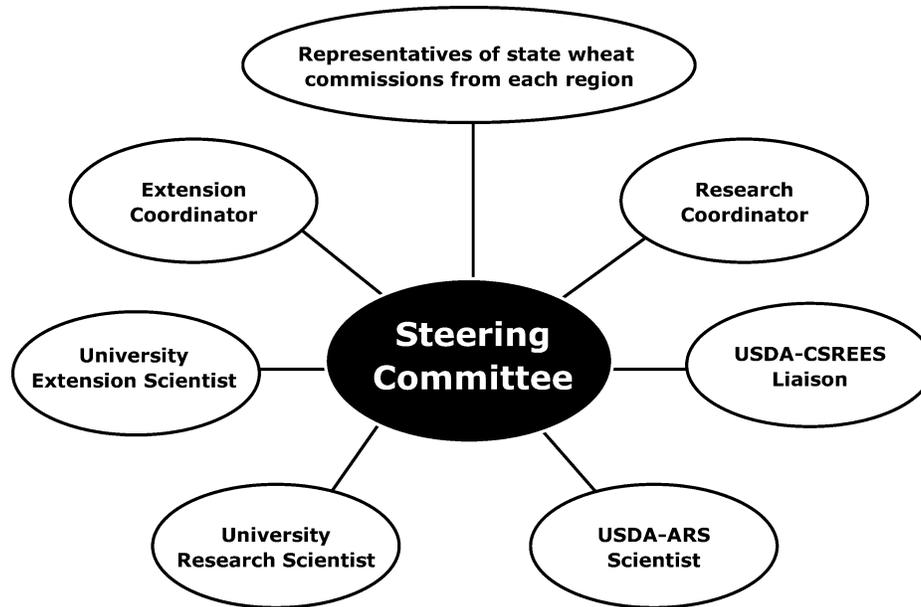

Figure 1. Member composition of Steering Committee that guided activities of the Jointed Goatgrass Research Program.
