

POLAR RECORD

*A Journal of Arctic and Antarctic Exploration and Research
Issued by the Scott Polar Research Institute, Cambridge*

PLACE NAMES

Place-names used in the *Polar Record* are those authorized by the administrative authorities of each area as recognized by the British Government. Russian names are transliterated by the system agreed between the United States Board on Geographic Names and the Permanent Committee on Geographical Names for British Official Use in 1947 (see *Polar Record*, Vol 6, No 44, 1952, p 546. Names not yet so authorized are avoided where possible or placed in quotation marks.

The cover of the journal is from a photograph of homogeneous auroral bands taken by V. P. Hessler, University of Alaska, on the Arctic Drifting Station "ARLIS-1" February 1961.
