EDITORS' ANNOUNCEMENT

Dear Colleagues,

With your help and support, *Modern Intellectual History* has made considerable progress in achieving the chronological, thematic, methodological, and geographic scope we envisioned when we launched it in 2004. In keeping with this development, we are extremely pleased to announce that Samuel Moyn, professor of modern European intellectual history in the Department of History at Columbia University, has agreed to join us as an editor of the journal. Sam's publications include *Origins of the Other: Emmanuel Levinas between Revelation and Ethics* (2005) and *A Holocaust Controversy: The Treblinka Affair in Postwar France* (2005). Harvard University Press will publish his *The Last Utopia: Human Rights in History* in the fall of 2010.

We very much look forward to working with Sam. He is already at work as an MIH editor, and you should feel free to contact him about MIH matters.

Best Wishes,
Charles Capper
Anthony La Vopa
