After the initial publication of this article, the authors submitted an updated Conflicts of Interest statement; they apologize for the oversight. The article has now been updated to include this, as below:

“MJL and AMM are consultants with Stryker Medical Education, Inc. MJL is a consultant with Cresilon, Inc. MJL is the uncompensated Stop the Bleed Coalition Chairperson. CAG has a patent pending for “tourniquet and method of use.” The remaining authors have no conflicts of interest relevant to this article to disclose.”

The Editor-in-Chief has reviewed this declaration and upheld the original editorial decision on the manuscript.
