Dissent, Injustice, and the Meanings of America

Steven H. Shiffrin

Americans should not just tolerate dissent. They should encourage it. In this provocative and wide-ranging book, Steven Shiffrin argues that dissent should be promoted because it lies at the heart of a core American value: free speech. Shiffrin is one of the country's leading first-amendment theorists. This is a major contribution to debate about one of the most important subjects in American public life.

"This book will reinforce Shiffrin's position as one of the leading, if not the leading, theorist of a progressive understanding of free speech."—Frederick Schauer, Harvard University

Cloth \$29.95 ISBN 0-691-00142-1

Law and History Review

“The best place to find out what an exciting field legal history has become. I read every issue with pleasure and a sense of discovery.” — Robert W. Gordon, Professor of Law, Stanford University; Visiting Professor, Yale Law School

“The most invigorating new scholarship appears regularly in *Law and History Review*. It is far too interesting a journal to limit its readers to legal historians; intellectual historians and social historians will want to explore its riches.” — Linda Kerber, Professor of History, University of Iowa

Law and History Review

- Encompasses American, English, European, and ancient legal history
- Features articles, essays, and commentaries by international authorities
- Reviews important new books on legal history
- Provides legal and social historians with distinguished scholarship in an increasingly recognized field

Issued Spring, Summer, and Fall. Institutions, \$65.00 (\$75.00 foreign); individuals, \$50.00 (\$60.00 foreign). Subscription fee includes membership in the American Society for Legal History.
