

## THE SEVENTH SCANDINAVIAN CONFERENCE OF LINGUISTICS

Date: December 17–19, 1982

Location: Hanasaari, Espoo (close to Helsinki, Finland)

Organizers: The Linguistic Association of Finland  
The Department of General Linguistics, University of Helsinki

One-page abstracts for twenty-minute papers are invited on theory-oriented general linguistics. The papers should be presented in a Nordic or in an international language, preferably English. Those intending to read a longer paper of topical interest can express their wish to the organizing committee. If there is sufficient converging interest, workshops will be arranged; suggestions for such are welcome. The papers will be published in a conference volume titled **Papers from the Seventh Scandinavian Conference of Linguistics**.

Hanasaari Culture Center (Hanasaaren kulttuurikeskus, Hanaholmens kulturcentrum) lies at a distance of 7 km from the center of Helsinki. All foreign participants will be accommodated at the Hanasaari Conference Hotel. Prices (as per February, 1982) for two-day accommodation (Friday noon – Sunday afternoon) incl. meals (except coffee and Sunday lunch):

- single room (number available: 30), 480 Fmk,
- double room (number available: 20), 370 Fmk,
- room for four (number available: 15), 310 Fmk.

**Deadline for abstracts and official registration is September 15, 1982.**

By the same date, the participation fee (100 Fmk) should be paid to the following bank account: **Lingvistmötet, NFB-Senatstorget, 200120-694944.**

The fee entitles to one copy of the conference proceedings. If it is necessary to limit the number of participants, the order of registration will decide.

The second circular will be sent by the beginning of October. It will contain the abstracts, an acknowledgement of participation and accommodation, and information on the program and practical details.

Please direct all correspondence concerning the conference to
