3-4 PETTY CURY · CAMBRIDGE

PREHISTORIC MERSIN

YÜMÜK TEPE IN SOUTHERN TURKEY

THE NEILSON EXPEDITION IN CILICIA

By JOHN GARSTANG

Illustrated 63s. net

Though based on years of archaeological research, this book is no mere report of excavations. Written in language easily understood by the layman, it tells the unique story of the growth of civilization in an isolated village on the Mediterranean seaboard of southern Turkey.

Archaeological data for the specialist are presented scientifically in tabular form, but the narrative holds its course, revealing a fascinating picture of the development of a society from its primitive beginnings to the full culture of the Hittite and early classical periods—a total span of 5,000 years.

SIR HAROLD NICOLSON: 'It is in truth a wonderful work.'
