Editor-in-Chief: **Dankwart A. Rustow**  
(City University of New York)

Comparative Politics is an international journal containing articles devoted to comparative analysis of political institutions and behavior. Articles range from political patterns of emerging nations to contrasts in the structure of established societies. Comparative Politics communicates new ideas and research findings to social scientists, scholars, and students. The journal is indispensable to experts in research organizations, foundations, consulates, and embassies throughout the world.
