The Christian Life

By ALBERT M. WEISS, O.P.

The theme of the present work is fundamental to a correct understanding of the Christian life: it is not enough for the Christian to be humanly perfect: he must be raised to the supernatural level of grace and utilize the supernatural, infused virtues. Yet, Father Weiss never lets the reader forget the dictum of St Thomas Aquinas, to the effect that grace does not destroy but perfects nature. 24s.

In Him We Live

By ERNEST MURA, F.S.V.

One of the most significant spiritual books that has appeared in this generation. Father Mura takes as the theme of his work the life-giving humanity of Christ and shows how Christ is at once the Redeemer, the Mediator and the Model for all Christian souls. 30s.

Fruits of Contemplation

By VICTORINO OSENDE, O.P.

A clear and inspiring presentation of the orthodox doctrine on the spiritual life in which the author offers authoritative solutions to some of the vital problems in spiritual theology. 38s.
