THE EDITORIAL BOARD wishes to publish original work in the basic and clinical neurosciences on the understanding that it has not been and will not be published elsewhere. Review articles on timely subjects will be accepted. Manuscripts must be in duplicate including illustrations. One of the copies must be the original, ribbon copy. Manuscripts should be typed double spaced, on white paper.

Papers will be accepted in French or English. All papers should be accompanied by a short résumé in both languages. The résumé translation will be done by the editorial board if requested.

Papers should be identified only by the full name of the author, or authors, and the name of the place in which the work was done.

ILLUSTRATIONS: Photographs should be unmounted on glossy paper and show magnification scale. They should be marked on the back with figure number, title of paper and name of author.

Diagrams should be in India ink and large enough to be informative after reduction.

All illustrations should be referred to as figures, numbered consecutively, not included in the body of the text and

all captions should be typed on a separate piece of paper.

Colored illustrations cannot usually be accepted unless the author is prepared to assist with the cost of reproduction.

REFERENCES to authors outside the context of the sentence should read (Name, Year). *i.e.* "However, a recent study (Bird and Iverson, 1975) showed a decreased, etc." Authors mentioned within the context of the sentence should read Name (Year). "*i.e.* . . . twenty years since Ecker and Reimshender (1951) demonstrated, etc." References should be typed in alphabetical order on a separate sheet and include author's name, initials, year, title, publication, volume, first and last page, *i.e.* Isacson, P. (1967). Myxoviruses and autoimmunity. *Progress in Allergy*, 10, 256-292. Abbreviations should be the same as those used in Cumulated Index Medicus.

Textbook references should include name of text, author's name, page number, publisher and city.

REPRINTS: Fifty reprints will be supplied free if ordered when the galley proofs are returned. More may be ordered at a nominal charge. Corrections and changes in the galley proofs, apart from printer's errors may be charged to the author.

This journal is indexed by **Index Medicus**, **Excerpta Medica** and **Current Contents — Clinical Practice and Life Science**.

SUBSCRIPTIONS: This journal is issued four times a year. The annual rate is \$24.00 (Canadian); Internes, Residents, Pre- and Post-Doctoral Students, \$12.00 per annum. Single copies \$10.00 each.

ADVERTISING: Enquiries regarding advertising space and rates should be directed to LEX LTD. VANCO PUBLICATIONS, 2 Tremont Crescent, Don Mills, Ontario M3B 2S1.

All communications, manuscripts, subscriptions, etc., should be sent to the Editor, at 1516 - 233 Kennedy St., Winnipeg, Canada R3C 3J5.

Abs = Abstract

- Acetylcholinesterase**  
location in nervous system of dfp-treated monkeys, 235 (Aug) abs
- Afferent**  
Sensory and motor control, 227 (Aug.) abs
- Alcohol**  
organic brain syndrome, 224 (Aug) abs
- Aluminum**  
Alzheimer's disease, 237 (Aug) abs
- Alzheimers disease**, 237 (Aug) abs  
cerebral blood flow, 53 (Feb)  
psychological performance, 53 (Feb)
- Amphotericin B**  
and brain tumor in mice, 218 (Aug) abs
- Amygdaloid**  
frontal cortex lesions, 107 (May)  
kindling in cats, 5 (Feb)  
kindling in cats, 107 (May)
