

NOTES FOR CONTRIBUTORS

Contributions and editorial correspondence should be sent to one of the editors: Rev. Prof. T. F. Torrance, 37 Braid Farm Road, Edinburgh EH10 6LE; Rev. Prof. J. K. S. Reid, Don House, 46 Don Street, Aberdeen AB2 1UU; Rev. Dr A. I. C. Heron, New College, Mound Place, Edinburgh EH1 2LX; Rev. Dr J. Houston, University of Glasgow, 3 Southpark Terrace, Glasgow G12 8QQ.

Submission of an article is taken to imply that it has not previously been published in English, or is not being considered by another journal for publication in English. In the interests of authors, copyright is normally assigned to the Scottish Academic Press. The average length of articles is 5000 words. Although longer articles are accepted, those in excess of 10,000 words cannot be considered.

Contributions (articles and reviews) should be clearly typed in double spacing, and on one side of the paper only. The rule about double spacing applies also to footnotes, which should be used sparingly. Cross-references within the article offered should not be included.

Notes for the editors and instructions for the printer should be attached on separate sheets. Contributors should keep one copy of the typescript for use in correcting proofs.

Contributors from the United States may use U.S. spellings. Greek and Hebrew words need not be transliterated. Capitalisation should be kept to a minimum; and in particular should not be used in pronouns referring to the Deity.

First proofs of articles and article reviews may be read and corrected by contributors, and should normally be returned to the organising editor within ten days of receipt. Correction should be confined to errors of the printer. More extensive correction can be made only with the concurrence of an editor. No proofs of reviews will be sent.

Contributors of articles and article reviews (but not of reviews) receive 10 free offprints. Extra copies may be bought according to an agreed scale of charges, provided that these are ordered at the time of returning corrected proofs.
