

ERRATUM

Glasser, Neil F., Michael J. Hambrey, Kevin R. Crawford, Matthew R. Bennett and David Huddart. The structural glaciology of Kongsvegen, Svalbard, and its role in landform genesis. *J. Glaciol.*, **44**(146), 136–148.

Owing to a computer plotting error the stereograms in Fig 4 (p. 140) were incorrectly depicted. The results, implications and conclusions of the paper are in no way affected.
