The *International Journal of Middle East Studies* publishes articles and reviews concerning the area encompassing Iran, Turkey, Afghanistan, Israel, Pakistan, and the countries of the Arab World from the seventh century to modern times. Spain, Southeastern Europe, and the Soviet Union also are included for the periods in which their territories were parts of Middle Eastern empires or were under the influence of Middle Eastern civilization. Particular attention will be paid to works dealing with history, political science, economics, anthropology, sociology, philology and literature, folklore, comparative religion and theology, law and philosophy.
