The Canadian Journal on Aging is a quarterly publication of the Canadian Association on Gerontology. It publishes manuscripts bearing on aging from biological, health science, psychological, social science and social welfare concerns. Acceptance or rejection of manuscripts will be on the recommendation of the Associate Editors representing the five divisions of CAG, in consultation with reviewers.

The Canadian Association on Gerontology and the Editors accept no responsibility for views and statements of the authors. Lack of adherence to the instructions may delay consideration of publication.

La Revue canadienne du vieillissement est l'organe de l'Association canadienne de gérontologie. Elle paraît quatre fois par an et publie des articles sur le vieillissement intéressant les disciplines suivantes: biologie, sciences de la santé, psychologie, sciences sociales and bien-être social. Les manuscrits sont acceptés sur la recommandation des rédacteurs adjoints représentant les cinq sections de l'A.C.G., après consultation du comité de rédaction.

Les auteurs conservent l'entière responsabilité des opinions exprimées dans la Revue. En vue d'éviter tout retard dans l'acceptation des manuscrits, les auteurs sont priés de se conformer aux indications qui suivent.
