Books and Journals from  
Cambridge University Press

Cambridge publishes books and journals that cover research throughout world archaeology and across all periods.

Our list includes key handbooks and manuals in method, theory and scientific techniques; case studies of sites, surveys and excavations; comparative and interpretative works; scholarship on cultural resource management, and large scale, reliable reference works.

## Books and Journals from Cambridge University Press

Cambridge have an established and ever expanding academic law list in public and private law subjects crossing books and journals aimed at a global readership.

Particular strengths lie in international law, human rights and transitional justice, transnational and comparative law, jurisprudence, and legal history.

We also publish a growing number of titles with an inter-disciplinary and socio-legal approach.
