Making Literature Matter An Anthology for Readers and Writers Fifth Edition

John Schilb, *Indiana University*

John Clifford, *University of North Carolina at Wilmington*

In its fifth edition, *Making Literature Matter* continues to deliver on the promise of its title. Its thematic anthology gathers memorable stories, poems, plays, and essays into unique literary clusters addressing issues that rouse passionate responses in students. At the same time, its comprehensive rhetoric shows students how to harness those responses into thoughtful arguments about the issues raised by the clusters and the literature.

“*Making Literature Matter* does what it says—literature suddenly becomes relevant to students’ own lives.”

— Brenton Phillips, *Cloud County Community College*
