

MR. JUSTICE STEPHEN'S NEW BOOK

A History of the Criminal Law of England.

By SIR JAMES F. STEPHEN, K.C.S.I., D.C.L.,

A Judge of the High Court of Justice, Queen's Bench Division. 3 Vols., 8vo., 48s.

Among other matters the following are treated of in the work:—CRIMINAL RESPONSIBILITY—MEANING OF RESPONSIBILITY—CONDITIONS OF RESPONSIBILITY—COMPULSION—INTENTION—WILL—NECESSITY—RELATION OF MADNESS TO CRIME—MEDICAL CRITICISMS OF THE LAW—LEGAL AND MEDICAL VIEWS—THE WORD "MIND"—SANITY AND INSANITY—CAUSES OF MADNESS—HYPOCHONDRIASIS, MELANCHOLIA, MANIA—DELUSIONS—FORMS OF MADNESS—INSANE IMPULSES—ECCENTRICITY, MANIA—CHRONIC DELUSIONS, MONOMANIA—DEMENTIA—MORAL INSANITY—LAW AS TO INSANITY—THE WORD "WRONG"—SELF-CONTROL AND KNOWLEDGE OF RIGHT AND WRONG—PUNISHMENT OF MADMEN—PUNISHMENT IN ASYLUMS—MORAL INSANITY.

"The History of the Criminal Law of England has not only fallen into good hands; it has fallen into the hands of the only man who could have written it so that it should not be a mere dull record of statutes and decisions, but a work making the past alive, a work comprehensive, luminous, and interesting. Of all its qualities, the most conspicuous in Mr. Justice Stephen's work is its very great interest for all classes of readers. . . . It is a history of the English Criminal Law, and a very good history well told, well proportioned, lively, yet discreet and dignified. But is also very much more. It is full of piquant dissertations on matters of current interest. It gives free play to the enunciation of original and characteristic opinions, and to the kind of criticism which startles and enlightens but does not wound. . . . A work which is delightful and instructive from one end to the other."—*Saturday Review*.

"It would be hard to name a book more likely as a whole to be useful to the future historian and antiquary, as well as to the lawyer."—*The Athenæum*.

MACMILLAN & CO., Bedford Street, London.
