Editorial

Necrotising otitis externa, epistaxis education and aerosol generation in coughing: *EW Fisher, J Fishman* 355

Main Articles

Patients' experience of necrotising otitis externa: a qualitative study: *E Owen, R Abrar, E Stapleton* 356

The effect of cochlear implant insertion technique on post-operative neural response telemetry and impedance in paediatric patients: *SB Hashemi, M Janipour, R Jahangiri, A Babaei* 363

Temperature and luminosity outputs of endoscopes used in transcanal endoscopic ear surgery: an experimental study: *TD Milner, M Jaffer, A Iyer* 368

Disparities in access to ear and hearing care in Cambodia: a mixed methods study on patient experiences: *CJ Waterworth, CTM Watters, T Sokdavy, PL Annear, R Dowell, CE Grimes, MF Bhutta* 373

How chronic ear disease affects quality of life: a qualitative research study in Nepal: *C de Cates, F Jashek-Ahmed, RB Bohara, C Salter, R Youngs* 390

Six-canal video head impulse test in patients with labyrinthine and retrolabyrinthine pathology: detecting vestibulo-ocular reflex deficits: *G Kontorinis, H Tailor, T Tikka, MAM Slim* 398

Is septoplasty required whenever anterior septal deviation is present?: *N Susaman, H Çetiner* 404

Where should epistaxis education be focused? A comparative study between the public and healthcare workers on knowledge of first aid management methods of epistaxis: *S Jamshaid, N Banhidy, R Ghedia, K Seymour* 408

Correlations between objective and subjective tests of nasal patency in patients undergoing septoplasty: *M Karataş, M Kopal, C Yilmazer, M Kelles* 413

Endoscopic approach for orbital apex lesions: case series and review of the literature: *R Shemesh, A Yakirevitch, A Abergel, I Leibovitch, GJ Ben Simon, R Ben Cnaan* 419

Olfactory changes after endonasal endoscopic cerebrospinal fluid fistula repair: long-term outcomes: *H Basak, S Beton, S Akyıldız, L Yücel, H Guliyev, C Meco* 426

Quail egg homogenate with zinc as adjunctive therapy in seasonal allergic rhinitis: a randomised, controlled trial: *C Andaloro, AM Saibene, I La Mantia* 432

Laser tongue base mucosectomy is a useful diagnostic tool in the management of unknown primary cancers of the head and neck region: *O Olaleye, R Nassif, B Fleming, S Burrows* 438

Aerosol generation during coughing: an observational study: *E Sanmark, LAH Oksanen, N Rantanen, M Lahelma, V-J Anttila, L Lehtonen, A Hyvärinen, A Geneid* 442

Non-surgical organ preservation in laryngeal and hypopharyngeal cancers: an audit from the clinic: *S Sood, S Sinha, A Balaji, SR Mundhe, N Mummudi, A Budrukkar, M Swain, K Prabash, V Noronha, A Joshi, V Patil, SG Laskar* 448

Application of haemoglobin absorption spectral imaging in laryngeal papilloma surgery: *T Li, Y Dong, W Han, X Shen, W Gong, L Xu, Y Li* 455

Clinical Records

Aneurysmal bone cyst of the temporal bone presenting with reversible vestibular impairment: *Y Liu, C Wang, J Hu, Z Han* 462

Introducing ethanol ablation as a treatment for thyroid cysts in the emergency setting: *L Robb, SY Hey, H Reid, IJ Nixon* 467

Book Review
