I JUST

CAN'T

COPE

▼
A common cry for help. Perhaps triggered by one or more factors. But, all too often, diagnosis of the root cause of their problem is clouded by anxiety or somatic symptoms masking the underlying condition. You can trust Prothiaden to brighten up their lives.

▼
After 21 years of clinical experience, Prothiaden's tolerability is known, its performance in clinical trials unsurpassed, which is why Prothiaden is prescribed by more GP's than any other antidepressant.

▼
So, paint a brighter picture for your elderly patients who find they can't cope - with a prescription for Prothiaden.
