CONTINUITY AND CHANGE VOLUME 27 PART 2 AUGUST 2012

Special issue: Giving in the Golden Age: Charity in the Dutch Republic

Guest editors: Lex Heerma van Voss and Marco van Leeuwen

Although issue 27/2 of the Journal was a special one the title: ‘Giving in the Golden Age: Charity in the Dutch Republic’ was not presented on the front cover, due to an oversight. The role and work of Lex Heerma van Voss and Marco van Leeuwen, who were guest editors for the special issue, also went unacknowledged. The Editors offer their sincere apologies for these omissions and will endeavour to ensure that full information is presented for special issues in the future.
